Recent graduate committed to learning, developing skills in web development and team contribution. Self-directed and energetic with superior performance in both autonomous or collaborative environments working independently and collaborating with others on group projects.

Education

2017-09 - 2021-06

Bachelor of Arts: Philosophy, Minor in Computer Science

UC Davis - Davis, CA

Projects

Fitness Tracker Web App
- Fitness tracker using Express / SQLITE / D3:
- **https://replit.com/@krishokr/tractivityFitnessTracker#README.txt**

Manetti Shrem Mobile App
- Collaborated with UC Davis Manetti Shrem Museum of Art to produce a mobile app that allows visitors to interact with their exhibit, "Education should be free" using React and D3:
- **https://manettishremproject.krishokr.repl.co/**

L-Store
- Collaborated with a team to produce L-Store, an IBM Research database:
- **https://github.com/krishokr/ECS165ALStore.git**

Accomplishments

- Successfully negotiated team sponsorship with a membership discount at The Boulder Field, a world-class climbing gym in Sacramento, CA run by a professional climber, Carlo Traversi.
- Increased UC Davis allocation funding by over 100%.
